Captain's Summer League Meeting March 26th

This Wednesday, March 26th we will be holding the Summer League's Captain's meeting. The meeting will start at 7 PM and everyone is welcome to attend. The meeting's purpose is to discuss this summer's league activities and start the sign up process. If you have a few buddies and don't think you have enough people to start a team we will certainly be able to put in contact with someone you can shoot with. Don't think you shoot well enough??? THAT DOESN'T MATTER!!! All levels of ability are welcome. Want to sharpen your skills for hunting season so your dog doesn't bite you in the leg for missing all those birds??? This is the best way to do it. C'mon out, meet other people that share your passion and have a summer of fun....at MGC. Hope to see you there.

Summer hours.....

Will start on April 1st. We will then be open 6 days a week. We have a full schedule for this summer so you will want to check the 2014 Calendar of Events and check the website often.

www.MplsGunClub.com. We look forward to seeing all the "snow birds" that haven't been around this winter. Fun week for the summer leagues will begin on April 1st and the "Official" league season starts April 8th.

Minnesota State 5-Stand and the Pre-State 5-Stand

On April 5th MGC will host our annual Pre-5 Stand event and on May 9, 10, and 11th MGC will be hosting the MN State 5-Stand event.

These events will bring in shooters from not only Minnesota but surrounding states also. There will be classes for every level of ability and if you've ever considered participating in a 5-Stand event either one of these would be great to get started in. There will certainly be enough qualified people that are able and willing to get you going.

Component Order

Mark has been receiving the February Component Order in a few pallets at a time. As soon as he sorts the orders and fills them he will send out an email and post it on the website. www.MplsGunClub.com Please check the website often to see when they're ready to go. And thanks to everyone who ordered.

A reminder to our members and guests

As we get going into our busiest time of year and with a lot of new people using our facility we ask everyone to adhere to the shot/shell size limits; target loads only, no shot larger than 7 ½. And please watch your speed on Judicial Road. We have had some concerns raised by the neighbors about shells sounding louder than normal and some fast cars going down the road. Please help us by letting us know if you hear or see any behavior that would warrant a complaint. Thank you for your help on this.
