## MGC eShooter

### Summer League Champions

First of all, thank you very much to everyone who participated in the Summer Leagues. We had some new teams this year which made for one of the biggest roster we've ever had. And with that came some very close competition.....again. If you look at the shoot-off ladders you'll see that in some cases there is less than 2 tenths of a target difference that was the deciding factor if a team moved on.

And then there is the ReMax Trapshooters Team. For the first time that a lot of the "old timers" can remember they scored a perfect 250 X 250 in their shoot-off with the up and coming Projectile Dysfunction Team. Nice shooting guys.

Congratulations to all of the Championship Teams and to the High Gun Leader's in each venue.

## Fall Leagues

MGC Fall Leagues start the week of September 5, 2016 and will run for 8 weeks. C'mon out and enjoy the fall weather at MGC and use the targets to get tuned up for the upcoming hunting season. You can sign up at the Club or just give Mark a call and let him know who is on the team. Don't have enough shooters for a team? No worry, we'll be able to find a spot for you and your friends.

## Jackpot Trap and NTD

Jackpot Trap will start on September 24<sup>th</sup> and continue every Saturday until April. It is a fun way to spend Saturday's when all the other shooting is over with. You don't have to be a "big dog" to win at this one. There's a good chance that a score in the high 30's low 40's will hit the Lewis Class payouts.

For registered Trap we have one more event, National Trapshooting Day. That will be on September 18<sup>th</sup> and the targets will count for the 2017 target year. C'mon out and give it a try.

### Scholarship Award

The recipient of this year's MGC Scholarship Award is Adam Jarnagin. Adam has been out at the Club for many years, 1<sup>st</sup> as a competitor for the Burnsville Trap Club, which Adam's mom was instrumental in starting, and now he has been employed at MGC for 1 ½ years. If you see Adam out there, congratulate him for the great job he has done for MGC. The award will be presented at the annual MGC Holiday/Christmas party.

This award is totally funded by donations. We will be holding a raffle for some really nice prizes to be given away at the Christmas party. Mark has tickets available for sale now at the front counter. More on this later.

### MGC Hotshots

Many of you will remember Morgan Craft who worked at MGC for a few summers. When not working, Morgan and her then boyfriend, now fiancé, Nick Boerboon, would be shooting International Skeet. Well, Morgan went on to qualify for the 2016 Olympic Women's Skeet Team and went to Rio to compete. Morgan did well but missed a low, wind driven target in a shoot-off.

Morgan, congratulations for making it that far and representing the USA in Rio.

Mark Zauhar, longtime member of MGC, had a very good Grand American shoot in August. Mark picked up more than a few trophy's but his "Best" one was his ATA World Clay Target Championship win in Veteran Class. Mark ran the 200 singles targets, went another 50 straight in the first round of shoot-off, and dropped only 1 in the next 50 targets to

take the win. This is a picture of Mark shooting off under the lights at Sparta.

Congratulations to both Morgan and Mark for their exceptional shooting.

## New Members

We would like to welcome these new members to the Minneapolis Gun Club. If you happen to run into them please be sure to introduce yourself and make them feel at home.
