MGC eSHOOTER

WINTER HOURS ARE.....NOW!!

As much as we would all like to have the nice Fall weather stick around, it's coming to an end, and with that our Winter schedule goes into effect November 1st. We will be open Wednesday's noon to 4 and Saturday and Sunday's 10:00 AM to 4 PM.

We would like to thank everyone that has supported us throughout the summer and fall and participated in the Minnesota State High School Clay Target League, Summer Leagues, the High School Pre- State Shoot, SCTP Shooting Events, the registered Trap, Skeet and 5- Stand shoots and the Vintage Gun Shoot. Our Club is only as good as the members and guests that support us and we have, without a doubt, some of the best people involved in the shooting sports you will ever meet spending time at MGC.

You can view all the results of these shoots at

www.MplsGunClub.com

Membership Renewal

It's not too early to be thinking of renewing your MGC membership...and we hope you all do. We strive to bring you the most “bang” for your money and offer you the best shooting facility in the upper Midwest. There will be a membership renewal form in the next newsletter and in the mail soon but you can get a jump on it and see one of the friendly faces at the front counter or just give us a call and we can process the transaction over the phone. 952-469-4386

MGC Scholarship Fund Raffle & Holiday Party

Again this year we are holding a raffle to fund the MGC Pullers Scholarship that is awarded to one of our great young adults that is going to further their education. We have a great list of prizes entice you to help out. First prize is a beautiful Shamrock Leathers leather shooting bag. 2nd through a bunch of other places, we keep adding prizes, will be shells, rounds, and MGC clothing. We will

be awarding the \$1000.00 Scholarship at our annual Holiday party, January 1st.

This year's recipient is Adam Jarnagin. Adam has been working at MGC for about 2 years but has been "around" MGC since he was about 7 years old. That being due to his Mom starting and coaching the Burnsville Trap Team. Adam shot on the Burnsville Trap Team for 5 years. Adam is taking his generals at Normandale Community College and then transfer to Mankato or Winona State to receive his 4 year Bachelor Degree in nursing. If you happen to see Adam while at MGC, give him a pat on the back for doing such a great job for us and receiving the 2016 Scholarship Award.

Make plans to attend and possibly go home with some great merchandise. Again, you can make arrangements to help fund this by making a phone call or see Mark at the Club.

Winter Shooting @ MGC

Yes, we are already on winter hours but that doesn't mean the shooting has stopped. Jackpot Trap is in full swing and 5 Stand Jackpot will be going also. Saturday for Trap and Sunday for 5 Stand. In either of these games just about any score can be a winner and you go home with some cash.

It's for fun and a good way to spend an off season day at MGC. Check the website for more information.

Important Reminders.....

MGC is a shotgun only shooting facility that allows target loads ONLY.

We operate under a Conditional Use Permit and have to watch/police what is used very closely. So, no slugs, no hunting loads, no shot larger than 7 ½. And, this includes the pattern board or firing a few rounds to see if your gun cycles properly. Sorry, but can't allow it. So, check

your shells and vest to make sure one doesn't slip through.

Judicial Road is a 40 mph speed limit posted road. Scott County/Dakota County watch 185th St pretty close and we've heard they might be setting up on Judicial too. Please observe this speed limit. The last thing any of us need is to add a speeding ticket to our record.

2017 MGC Calendar

The 2017 MGC is included here and on the home page of the website. Take a look at it, print it off, and start making your plans for next year....it's coming up fast.

MGC Hotshots

Another MGC Hot Shot is Gayle Kecker. In addition to clay target shooting Gayle and her husband Dennis, participate in bench rest rifle shooting. Recently Gayle showed 'em all up. Gayle won the

MN State Sporter and 2 gun divisions. There are few women in this sport and for only shooting rifle for two years this is a great accomplishment. Gayle shot a .132 small group at 100 yards and two .3xx groups at 200 yards.

Fall League season

Thanks to all for a smooth Fall League season.

Congrats to the following teams:

Trap: Hole Shots with a 14 bird lead over Remax.

Skeet: Rowdy Penguins routing all of their competition.
