Summer League Half Way Party

It almost seems like we just got started but we're at the half-way point of the summer leagues. We've had nice weather this year and the scores show it. I don't know if I've ever seen the competition so tight. MGC will be serving burgers and brats starting Tuesday night, June 6th , from 4:00 PM until 8:00 PM. Wednesday and Thursday evening's also. We look forward to seeing all the team's every week and appreciate your support. We are allowing everyone to shoot back or forward until the end of June, then it will go to 1 week back and 2 weeks forward to allow for everyone's busy schedules. We want to make it as easy as we can to get your scores in.

2016 High School League Tournament

MGC is again hosting the only one in the country State High School League sanctioned Trapshoot on June 24th.

The top 38 teams from the 9 days of shooting at the High School league competition in Alexandria and the top 100 individual's will be competing for top honors. To host an event like this we could use some volunteer's to represent MGC and make sure it goes smooth. It won't be anything strenuous and you won't have to be here for the whole day. Please contact Mark at the Club if you can spare some time that day. MGC has 13 schools shooting their league here and wish them the best of luck Thanks in advance. Our own Kory Miller is tied with another student with a 24.9 average for the HS League. Congrats Kory....keep it going. Last year for the volunteers we hosted a very nice cookout...which we will do again.

A big "shout out" THANK YOU to Erin Cameron, Marks wife, for planting the beautiful flowers around the flag pole. They help make the Club look great!!

MGC Calendar

Be sure to check the club calendar to see what is going on in the coming weeks. We will be hosting tournaments

on multiple weekends but will always try to have open shooting available. Call or check the website.

Components and shells

Mark has a very good selection of powder, wads, primers and lead if you are in need. He also has some very good prices on factory shells. Check with him when you're out there so see if he can fix you up.

Ladies Day 2017

We held our annual Ladies Day on May 27th and had a great turn-out. It rained a little but they were brave souls that wanted to bust some clay's and bust 'em they did. Thanks to Tom Sletta for helping out. We'll do it again next year so if you know someone who would like to participate, let them know about it.

2016 MGC Vintage Shoot

We will be holding our Vintage Shoot August 26th. This is a fun event and gives you a chance to get 'ol Betsy out and blast away. There is always a nice bunch of people

Minneapolis Gun Club Vintage Gun Shoot

August 26, 2017

All guns must be pre-1964

Five (5) categories of guns

Autos – Pumps – Side by side – Single Barrel Trap – Cutts Compensators*

There will be (3) contests:

50 Trap targets – 50 Skeet targets – 50 Sporties

There will be one category winner in each contest plus one HOA winner.

Trophies will be awarded

*Cutts Class can be a later gun but *must* be original Lymann Cutts.

and classic guns in attendance so c'mon out and give it a try.

A reminder to our members and guests.... As we are in our busiest time of year and with a lot of new people using our facility we ask everyone to adhere to the shot/shell size limits; target loads only, no shot larger than 7 ½. This has gotten serious to the point it is a zero tolerance situation. IF you get caught using hunting loads, you are risking being asked not to return to MGC. And please watch your speed on Judicial Road. We have had some concerns raised by the neighbors about shells sounding louder than normal and some fast cars going down the road. Please help us by letting us know if you hear or see any behavior that would warrant a complaint. Thank you for your help on this.

New Members

We would like to welcome these new members to the Minneapolis Gun Club. If you happen to run into them be sure to introduce yourself and make them feel at home.
