Summer League Champions

First of all, thank you very much to everyone who participated in the Summer Leagues. We had some new teams this year which made for one of the biggest rosters we've ever had. And with that came some very close competition.....again. If you look at the shoot-off ladders you'll see that in some cases there is less than 2 tenths of a target difference that was the deciding factor if a team moved on.

Congratulations to all of the Championship Teams and to the High Gun Leader's in each venue.

Fall Leagues

MGC Fall Leagues have started but there is still time to get your targets in and possibly be a Championship Team.

C'mon out and enjoy the fall weather at MGC and use the targets to get tuned up for the upcoming hunting season. You can sign up at the Club or just give Mark a call and let him know who is on the

team. Don't have enough shooters for a team? No worry, we'll be able to find a spot for you and your friends.

Jackpot Trap and National Trapshooting Day

Jackpot Trap will start on September 23rd and continue every Saturday until April. It is a fun way to spend Saturday's when all the other shooting is over with. You don't have to be a "big dog" to win at this one. There's a good chance that a score in the high 30's low 40's will hit the Lewis Class payouts.

For registered Trap we have one more event, National Trapshooting Day. That will be on September 17th and the targets will count for the 2018 target year. C'mon out and give it a try.

Scholarship Award

The recipient of this year's MGC Scholarship Award is Ryan Baer. Ryan has been out at the Club for many years, 1st as a competitor for the Apple Valley Trap Team and now he has been employed at MGC for a few years. Ryan will be attending Creighton University in Omaha Nebraska to pursue a career in medicine. If you see Ryan out there, congratulate him for the great job he has done for MGC. The award will be presented at the annual MGC Holiday/Christmas party.

This award is totally funded by donations. We will be holding a raffle for some really nice prizes to be given away at the Christmas party. Mark has tickets available for sale now at the front counter. More on this later.

New Members

We would like to welcome these new members to the Minneapolis Gun Club. If you happen to run into them please be sure to introduce yourself and make them feel at home.
