# MGC eSHOOTER

WINTER HOURS ARE.....NOW!!

As much as we would all like to have the nice Fall weather stick around, it's coming to an end, and with that, our Winter schedule went into effect November 1st. We will be open Wednesday's noon to 4 and Saturday and Sunday's 10:00 AM to 4 PM.

We would like to thank everyone that has supported us throughout the summer and fall and participated in the Minnesota State High School Clay Target League, Summer Leagues, the High School Pre- State Shoot, SCTP Shooting Events, the registered Trap, Skeet and 5- Stand shoots and the Vintage Gun Shoot. Our Club is only as good as the members and guests that support us and we have, without a doubt, some of the best people involved in the shooting sports you will ever meet spending

time at MGC. You can view all the results of these shoots at [www.MplsGunClub.com](http://www.MplsGunClub.com)

## Fall League Champions

MGC's Fall Leagues are as important and competitive as our Summer Leagues and this Fall wasn't any different. In the Trap League TWO targets separated the top FIVE shooters!!! The top TWO shooters are tied at this point and yet to be decided. Maybe co-champions with dinner at Manny's for the prize??? In the Combo League, that's where you shoot everything, THREE targets separate 1<sup>st</sup> & 2<sup>nd</sup> place. Thank you to everyone who participated.

Trap.....ReMax Trapshooters

Skeet...Rowdy Penguins

Skeet Doubles....Bill Frandrup

Combo....Legends of the Fall

Trap High Gun....Scott Steffen/Jim W....388

Skeet High Gun...Daniel Lee....283

Combo High Gun.....Jeff Korhonen...351

Congratulations.....and NICE shooting!!!! Thanks to everyone who participated. You can see all the results and target totals at [www.mplsgunclub.com](http://www.mplsgunclub.com)

## Medical Alert!!!!

OK, we're all getting older and anything can happen

at any time.....and it did.

Three weeks ago long time member Leo Switala had a heart attack while in the clubhouse. Luckily, there were a couple people near him that started the CPR process, and saved his life. That got our attention in a

big way and we now have an AED defibrillator in the clubhouse. Please familiarize yourself where it is located so if it is needed you will know where it is. We will have some of the staff trained on its use but you might be able to get to it quicker....and save someone's life. To get the AED, a collection was taken, and those that donated were, Lenny Lindquist, Bill Jenison, Jim McLeod, Dennis Kecker, Mark Hintz, Al Doucette, Rollie Stehr, Charlie Phillips, Virginia Hines, Doug Dingman, Jim W, Don Tesch, Steve Boerboon, Bob Lalor, Jack Swanson, Gary Pederson, Mark Zauhar, Charlie Leavitt, and Rick Potter. Thanks everyone for stepping up and making this possible.

## **Membership Renewal**

It's not too early to be thinking of renewing your MGC membership...and we hope you all do. We strive to bring you the most "bang" for your money

and offer you the best shooting facility in the upper Midwest. There will be a membership renewal form in the next newsletter and in the mail soon but you can get a jump on it and see one of the friendly faces at the front counter or just give us a call and we can process the transaction over the phone.

## **Winter Shooting @ MGC**

Yes, we are already on winter hours but that doesn't mean the shooting has stopped. Jackpot Trap is in full swing and 5 Stand Jackpot is going also. Saturday for Trap and Sunday for 5 Stand. In either of these games just about any score can be a winner and you go home with some cash. On December 23<sup>rd</sup> we will be holding our MGC Christmas Ham Jackpot Trapshoot. Shoot a 25

straight in Singles or Handicap and you'll bring home a delicious ham to share with the family. It's for fun and a good way to spend an off season day at MGC. Check the website for more information.

## **MGC Hotshots**

We have some very good “seasoned” shooters at MGC that do well at MGC and at other clubs when they travel. And, we have some outstanding young shooters that are making a name for themselves. Two of those “kids” that did well participating in the High School League Fall Trap and Skeet leagues are Lizzy Nicolai and Ben Hines. Lizzy, one of the young ladies that are at the MGC front counter, had Female High Season Trap Average in Class A Conference 16, and Ben Hines took Male High Overall Season Average in Skeet. Great shooting both of you.

If you go to [www.mnclaytarget.com](http://www.mnclaytarget.com) you will see all the High School results posted and you will notice that there are many young participants that represent the schools that call MGC their home club. They are the upcoming shining stars that are fun to watch when they step to the line. Nice shooting everyone.

## **Important Reminders.....**

MGC is a shotgun *only* shooting facility that allows target loads ONLY.

We operate under a Conditional Use Permit and have to watch/police what is used very closely. So, no slugs, no hunting loads, no shot larger than 7 ½. And, this includes the pattern board or firing a few rounds to see if your gun cycles properly. Sorry, but

can't allow it. So, check your shells and vest to make sure one doesn't slip through.

Judicial Road is a 40 mph speed limit posted road. Scott County/Dakota County watch 185th St pretty close and we've heard they might be setting up on Judicial too. Please observe this speed limit. The last thing any of us need is to add a speeding ticket to our record.

## **MGC Pro Shop**

We have a good supply of components and factory ammo. Check with Mark, he ALWAYS has on-going special deals to entice you. Maybe a new gun too?

## **Christmas/Holiday Party.....**

The MGC Holiday Party will be on December 31<sup>st</sup> ,  
yes New Year's Eve. Make plans to attend, there will  
be plenty of good food and we'll have some  
shooting going on too. More details in the next, as  
in soon, newsletter.
