# MGC eShooter

## Summer Hours.....

Are finally here!! Starting Tuesday, April 2<sup>nd</sup>, we will be open 6 days a week. We have a full schedule for this summer so you will want to check the 2017 Calendar of Events and check the website often. [www.MplsGunClub.com](http://www.MplsGunClub.com). We look forward to seeing all the “snow birds” that haven’t been around this winter. Fun week for the summer leagues will begin on April 2nd and the “Official” league season starts on April 10th.

## Summer Leagues.....

We held the Summer League Captains meeting on March 14th and went over the rules and welcomed the new teams that will be shooting at MGC. If you

couldn't make the meeting and would like to join a team contact Mark at the Club and we'll find a "home" for you. Don't worry if you can't "hit 'em all", nobody can. The Leagues are structured on a handicap system and your score could very well be a big help. And shooting all summer will definitely help with bagging more birds this fall. Hope to see you out there.

Components are in.....

We did our best to get what everybody ordered and it is here. Mark will be glad to process your order so you can get to reloading those shells for the leagues. Mark has the hours listed on the home page that he will be there so check or call if you plan on coming out during off hours. Mark does plan on being at the Club by 10:00 AM for those that want to pick up early. Thanks to everybody who ordered.

Easter Sunday.....

Don't forget, we will be closed on Easter Sunday so our staff can enjoy the day with their families. Happy Easter to all of our members and guests.

Friends of NRA Banquet.....

Don't forget, and plan on attending if you can, the South Metro Chapter of Friends of NRA Banquet at Brackets Crossing on April 27<sup>th</sup>. Over the years this organization has donated in the form of grants hundreds of thousands of dollars to Minnesota gun clubs and individuals. See the flyer for information.

A reminder to our members and guests....

As we get going into our busiest time of year and with a lot of new people using our facility we ask everyone to adhere to the shot/shell size limits;

target loads only, no shot larger than 7 ½. And please watch your speed on Judicial Road. We have had some concerns raised by the neighbors about shells sounding louder than normal and some fast cars going down the road. Please help us by letting us know if you hear or see any behavior that would warrant a complaint. Thank you for your help on this.

A HUGE Thanks to.....

Jerry Ryan. Jerry has been busy at MGC with some spare time on his hands fixing and bringing up to date the Exit signs above the doors in the clubhouse and he made new pedestals for the NEW Skeet machines that were installed this week. If you see him buy him a few rounds of trap.....or something. :>)

MGC would like to welcome these new members

# CREATE A LEGACY

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same." Ronald Reagan

Three deserving vets were presented pistols.

From the moment you walk into a Friends of NRA event, the air is full of anticipation. You just might win limited edition firearms, outdoor gear, home décor, jewelry, and more on the raffles and auctions, while meeting great people in the process! Amongst the fun and fellowship, the Friends of NRA have one goal — fundraising for the future of the Second Amendment. Since 1992, more than 21,000 events have raised over \$335 million for shooting sports projects, with an emphasis on youth and woman's programs.

The NRA Foundation is a 501(c)3 charity of the National Rifle Association. Proceeds benefit shooting sport programs in our communities. NRA membership is not required to participate. All firearm laws apply. Winners are responsible for any taxes and transfer fees. Firearms are transferred through a FFL dealer.

Your generous support over the years has enabled Friends of NRA to give over 1.7 million dollars to benefit shooting sports in the state of Minnesota with an emphasis on youth and woman's programs. Thank you!
