# MGC eShooter

## 50 Years ago.....

50 years ago, the Minneapolis Gun Club moved to its current location. It seems like it was just yesterday :>) The papers to purchase the land were signed in March 1968 and targets were being thrown by May. Many changes/improvements have been made and it is an ongoing process to keep the Club one of the premier shooting facilities in the upper mid-west. We are planning an MGC Birthday Party and will keep you posted.

## MN Paralyzed Veterans of America Trapshoot.....

---

---

On May 18, 19 20<sup>th</sup>, MGC is proud to host the 3rd annual MN PVA Trapshoot. This event is open for

EVERYONE to attend and the proceeds will benefit our MN Paralyzed Veterans. There is a link on our homepage that has all the information you need to pre-enter for this event. Because of our restricted shooting hours we will have to limit the participants. Please consider attending this shoot.

### Ladies Day @ MGC....

Ladies Day will be held May 26th 2018. This is where you can send your wife, girlfriend or their friends to be introduced to Trap, Skeet and 5 Stand. There will be classroom instruction, introduction to shooting, lunch and then busting targets. And, the best thing it's all FREE. First 15 to contact us gets in.

### Veterans Trap & Skeet Shoot

Sponsored by Lakeville Yellow Ribbon, a 501(c)3 organization supporting local veterans and by Tee it

up for the Troops. Sunday, May 27 10 a.m. This event is for veterans– active duty or retired– all skill levels FREE, but you must register at [www.LakevilleYellowRibbon.com](http://www.LakevilleYellowRibbon.com). You will receive: Two boxes of shells • Tokens for one round of trap & one round of skeet • Lunch & prizes for top trap, top skeet, and top shot.

### Minnesota High School League Championships

MGC is again proud to host the season ending High School Trap and Skeet Championships. They will be held June 20, 21, 22. Skeet will be Wednesday and Thursday and Trap Friday. We need volunteers to help with “easy” tasks such as parking attendants, range safety officers, and food servers. You won’t be stuck in one spot all day and if you can spare a couple hours we would appreciate it. Let Mark know and we’ll get you on the list. Last year for the

volunteers we hosted a very nice cookout...which we will do again. Thanks in advance.

## Summer League Half Way Party

It almost seems like we just got started but we're almost at the half-way point of the summer leagues. We've had nice weather this year and the scores show it. I don't know if I've ever seen the competition so tight. MGC will be serving burgers and brats starting Tuesday night, June 5th, from 4:00 PM until 8:00 PM. Wednesday and Thursday evening's also. We look forward to seeing all the team's every week and appreciate your support. We are allowing everyone to shoot back or forward until the end of June, then it will go to 1 week back and 2 weeks forward to allow for everyone's busy schedules. We want to make it as easy as we can to get your scores in.

## Congratulations.....

To Jerry Ryan. Last month our own Jerry Ryan was inducted to the Minnesota Skeet Shooting Hall of Fame. Jerry is one of the state's top Skeet shooters and besides being a great skeet shooter he is always ready to help out at MGC to ensure that needed projects around the Club are taken care of. Well deserved Jerry, congrats.

## New Members

We would like to welcome these new members to the Minneapolis Gun Club. If you happen to run into them be sure to introduce yourself and make them feel at home.

## A reminder to our members and guests....

As we get going into our busiest time of year and with a lot of new people using our facility we ask everyone to adhere to the shot/shell size limits; target loads only, no shot larger than 7 ½. And please watch your speed on Judicial Road. We have had some concerns raised by the neighbors about shells sounding louder than normal and some fast

cars going down the road. Please help us by letting us know if you hear or see any behavior that would warrant a complaint. Thank you for your help on this.
