2018 Holiday Party

Unlike last year, we had a very nice day to hold the 2018

Holiday Party and we had a great turn-out. The selection of entrees and desserts was outstanding, as usual. Thank you to everyone who filled the clubhouse to make for a wonderful day at MGC. We really appreciate all the time and effort that is put in preparing all the delicious food.

2018 MGC Club Championship

Again, unlike last year, we were able to hold the MGC HAA Championship on the day of the party. We offered

various venues to make it a true High All Around Tournament. The program was 25 Trap, 25 Skeet, 25 Five Stand and 25 Bunker Trap. Doug Dingman had won the Championship the last 5 years in a row and there were people that would have loved to take the title from him. Well, it didn't happen. Doug isn't one to let the "chatter" get to him and he kept his cool, calm, collected self and just went out and broke targets!!! Congratulations Doug on your 6th in a row, MGC HAA Championship. Doug was high with 90x100. Second was Steve Boerboon with 86, and there was a 3 way tie for 3rd. All the participants and scores are listed on the MGC website. www.MplsGunClub.com

2018 Scholarship Award and Raffle

Amber Robinson and family were present to accept the \$1000.00 award. We're proud to have Amber on staff and wish her all the best in her photography career.

Thank you very much to everyone who purchased raffle tickets, which is the only way the Scholarship Award is funded. The prizes this year consisted of some very nice items....again. Thanks to **David**

Goodfriend for donating TWO Shamrock Leathers 4 box shooting bags and **Jerry Ryan** for donating the Remington 870 shotgun.

The lucky winners whose names were drawn at the Christmas Party were Dennis Kecker, Jim W, Charlie Buehler, Brian Hendrickson, Kory Miller, Don Tesch, Kim Robinson, Scott Tracy, and Jeff Schneider.

2018 Component Buy

Mark is still compiling a list of shells and reloading supplies that we can offer and deliver to you. Again, there are item's that we still cannot get and if we know or even think we won't be able to deliver, we are not going to put them on the list. We won't be offering back orders because our supplier's themselves don't know when items will be available. The list or link to the list will be included in the next newsletter or we'll send a blanket email out. As always, check the website often, we'll be posting the information there. www.MplsGunClub.com

MGC Updates/Improvements

Couple items.....we are in the process of remodeling/making a component and used gun display room. It will be on the right as you walk in the East front door. We are taking 2 rooms and turning them into a display room. It will move the guns that have been displayed in the main room and make more room in the gun racks for members/guests guns.

Also, we are in the process of installing a Target Card Reader. This system will replace the wooden tokens we've been using for 50 years. When buying rounds you will be given a "credit card" loaded with how many rounds you purchased. When going out to the fields you will swipe the card and will be given 25 targets. If there is a squad or multiple users each swipe will give 25 targets. This system is going to allow us to have more accountability on the targets/rounds sold. We will honor/use the tokens/round cards for an extended time so don't worry, we'll won't shortchange you. More on this as we get it installed.

Happy New Year

Jim W
