MGC eShooter

2019 Component Order

The 2019 Component order form is on the MGC home page www.MplsGunClub.com. We had to wait until our suppliers came back from the Shot Show to see what we could offer on the order but it's ready for you to fill out. You can print the order from the website or pick one up at the Club and fill it out. This "Special" buy is available to MEMBERS ONLY. Again, as last year, backorders will not be filled. We will take orders until February 28th and expected delivery will be mid-March. We will post on the website and send an email out when the components are in.

Target Card Reader

As mentioned in the last newsletter we have a new system in place that replaces the wooden tokens that we have been using for a long time. From here on, when you buy your rounds they will be loaded on a “credit card” that you will swipe when you get to your shooting field. When you swipe the card you will get 25 targets, 1 round. If you are shooting with others, each person will have to swipe THEIR card to get THEIR 25 targets. It’s basically the same as the tokens but this will enable us to track the targets used/bought better. If you’re a member and want to purchase a round card we load the card up with the rounds in place of the old paper round card. Also, same as before, you lose the “credit card”, you lose the rounds. So hang on to it.

Price change

The last price change we had at MGC was in 2015. Since then target prices have increased twice, our minimum labor costs have gone up 3 times, the taxes on our beautiful 75 acres, just like your

homes, has gone up every year. So, we are not raising the cost to become a member, the round cost for Skeet/Trap is going up 50 cents a round to \$8.00 for members. Now, if you are a member, one of the benefits is being able to purchase a 50 round card for \$300.00 which brings the rounds down to \$6.00 a round. We will always do our best to offer our members and guests the best possible price but this is something that we needed to do.

Sumer League Captains Meeting

It's not too early to start thinking about the MGC summer leagues. We will be holding the Summer League Captains meeting on Wednesday March 13th at 7:00 PM. Have a suggestion, want to hear the rules/procedures concerning the leagues, this is the time to do it. Round up your team. Everyone is welcome to attend. If you don't have a team and would like to participate in Trap, Skeet, 5 Stand, Wobble Trap we will be able to find a team for you to shoot with. It's fun, you sharpen your shooting skills and we feed you twice during the season. 7:00 PM March 13th, hope to see you there.

2019 MGC Calendar

Be sure to check the upcoming events that are posted on the home page and there is a link to the 2019 calendar so you will be up to date with events that are going on at MGC. We try to keep things interesting for all our members and guests offering fun, friendly competitions throughout the year. Every weekend through the winter there are Jackpot Trap and 5 Stand events where you don't need to be a crack shot to win. C'mon out and check it out. Check the website often for current information. www.MplsGunClub.com

Clubhouse Enhancement

The next time you walk into the Clubhouse be sure to check out the newly

remodeled Pro Shop. A lot of the items that were in the display case/front counter are now displayed in the Pro Shop where they are easier to see. All of the guns that we have for sale are also in there instead

of being spread out throughout the Clubhouse. Many

thanks to Scott Steffen for his expertise in creating the new digs and to Lauren for organizing all of the items. Mark too.

Valentine's Day Jackpot Trap

Want a chance to win a beautiful Heart Shaped Diamond Pendant for your Valentine? This Saturday, February 9th we will be hosting a Valentine Jackpot Trapshoot. Enter the event 3 times or more and your name will be entered in the drawing for the pendant. Also, shoot a 25 straight in either Singles or Handicap and you'll win a Heart Shaped Box of Chocolate to share with your sweetheart. One box per shooter. C'mon out and have some fun.

Have a great shooting season.
