## **The Summer Leagues....**

Are off and running!!! We are in our 4th week already and even with the stinking weather we're having there are some really good scores being turned in. Thank you to all that are participating this year and congratulations to those shooting the good scores. Now, there are some that haven't been able to post a score for the leagues yet but no worry. Due to the Club being very busy with everything going on you have until July 1st to get caught up. Activity will settle down early June so there will be plenty of time to get them in. Have fun.

The league placing is current on the website and the bulletin board in the kitchen area. [www.MplsGunClub.com](http://www.MplsGunClub.com)

## **Volunteers needed.....**

MGC is again proud to host the season ending High School Trap and Skeet Championships. They will be held June 19, 20, 21. Skeet will be Wednesday and Thursday and Trap Friday. We need volunteers to help with "easy" tasks such as parking attendants, scorers, range safety officers, and food servers. You won't be stuck in one spot all day and if you can spare a couple hours we would appreciate it. Let Mark know and we'll get you on the list. Last year for the volunteers we hosted a very nice cookout...which we will do again. If you can spare the time you will be able to see some of the very best in the State compete in these venues. It is really fun to watch the young boys and girls shoot. Thanks in advance.

## **Summer League Half Way Party....**

Just a reminder. It almost seems like we just got started but we're almost at the half-way point of the summer leagues. MGC will be serving burgers and brats starting Tuesday night, June 4th, from 4:00 PM until 8:00 PM. Wednesday and Thursday evening's also. We look forward to seeing all the team's every week and appreciate your support. We are allowing everyone to shoot back or forward until the end of June, then it will go to 1 week back

and 2 weeks forward to allow for everyone's busy schedules. We want to make it as easy as we can to get your scores in.

### **Congratulations to.....**

**Bob Muehlenkamp** a LONG TIME member of MGC, and a terrific Skeet shooter, was inducted into the MN Skeet Hall of Fame last month. A well-deserved honor Bob. Bob is always willing and ready to help make the MGC Skeet shoots what they are setting up the computers and keeping the program going. If you happen to see him at MGC, tell 'em Congrats.

Also, **Dave Osborn** (photo below), the retired MN Vikings Running Back, SHOT HIS FIRST 25 STRAIGHT last month!!!! YAHOO for Dave. It took a few years for the young 76 year old to get it done and he said he was more nervous on that 25 th target than he was in the 3 Super Bowls he played in, but it's in the history books now. That was the hard one Dave, the rest will come easy. Nice shooting.
