MGC eSHOOTER

2015 Component Order

The Spring? Component Order is on NOW!! We are offering our MEMBERS a chance to buy their reloading supplies and shells at the lowest prices we can. After the February 28th deadline the prices will go back to normal retail. The Club makes zilch on this order so take advantage of this opportunity to stock up now. Prices won't be this low for the rest of this year. Some items are still in short supply or not available but we will do the best we can to fill the orders. In lieu of powder, primers etc. you might want to consider flats of shells. We are offering flats at \$62.00 right now. The economy shells are close in price to reloading your own. BACKORDERS WILL NOT BE FILLED. If we can't get it now, we won't be able to get it in at a later date at these prices. You can call, mail or stop in and place your order. You can see a PDF copy of the order sheet on the website, www.MplsGunClub.com to see prices.

First in the Country

Last year we were proud and pleased to announce that the Minneapolis Gun Club would be hosting the Minnesota State High School League Trapshooting Tournament. Minnesota, the MSHSL, and MGC became the first and only state high school athletic association in America to sanction a trapshooting tournament. And it's going to happen at MGC again!! In 2015 it will be held on June 20th. The shoot will be limited to 100 of the top High School students that participated in the Minnesota State High School Clay Target League. At MGC we have 13 schools that participate in the League and wish them the best of luck.

Want to be part of this Tournament? Contact Jim W or Mark and let us know if you are available to be on the grounds that day to be a Club representative.

You can see the announcement at www.mnclaytarget.com Scroll down on the right side and you'll see the box.

Summer League Captains Meeting

We will be holding the Summer League Captains meeting on Wednesday March 18th at 7:00 PM. Round up your team, everyone is welcome to attend, and see what's in store for summer time shooting. Got a suggestion about the leagues? Bring it with so we can consider it. You aren't on a team, c'mon out and we'll find you a team to shoot with whether it's Trap, Skeet or Sporties. It's fun, you sharpen your shooting skills and you get fed twice over the summer.

7:00 PM March 18th, hope to see you there.

High School League Skeet Shooting

The Skeet Shooting League was introduced to the clay target league in the fall of 2014 where 11 teams participated in the inaugural season. For the 2015 spring league, more than 20 teams are expected to participate and the 2015 High School Skeet Shoot Championship will be held at MGC on June 21st.

High School Coaches Meeting

There will be Coaches meetings for the schools that are shooting out of MGC. On Tuesday March 17th at 6:30 PM there will be a Trap Coaches meeting at the clubhouse. On March 19th we will hold a Skeet Coaches meeting, same time. High School Coaches should receive an agenda by email. If you haven't received a notice and are interested in attending, contact Mark to be included.

2015 MGC Calendar

We're going to have a busy summer at MGC. We will be hosting the MN State 5 Stand Tournament, the above mentioned MSHSL Trapshooting Championship Tournament, and the Zone Skeet Tournament. These are in addition to the summer Leagues and a multitude of other registered events in Trap, Skeet and 5 Stand. We have a link to the updated calendar on the website along with upcoming events on the right side of our home page. www.MplsGunClub.com
