MGC Summer League Champions

The Summer Leagues are done, it sure seemed to go by quick this year, and the Champions have been crowned. The competition was tough again this year with 10ths of a bird making the difference of winning.....or not. Congratulations to all the winning teams and High Gun Leaders. Here are the Division Champions. All the results are on the website.

Thanks to all the teams and individuals that participated in the leagues, it's a good time and we really appreciate it.

Fall Leagues

Fall Leagues will start the 1st week of September. Mark has the signup sheets out or you can call your team roster in. Fall League runs for 8 weeks and in addition to keeping your shooting skills sharp it will help with the upcoming hunting season. Don't have enough people to make a team, no problem, see

Mark or the front counter and we'll get you placed on one.

Jackpot Trap and National Trapshooting Day

MGC will be hosting a Jackpot Trap warm-up on August 31st. The “regular” Jackpot Trap season will start on September 21st and be held every Saturday until April. A good way to spend some Saturday’s when there isn’t much else to do.

MGC will be hosting National Trapshooting Day on September 1st. If you’ve ever wanted to try registered Trap this would be a good shoot to get your feet wet and there will be plenty of people to help you get introduced to that part of the sport.

MGC Vintage Gun Shoot 2019

The MGC Vintage Gun Shoot was held last weekend and we had a great turnout and there were some beautiful guns being used for this competition. **Sam**

Bradford came out on top in the coveted Cutts Skeet Competition with a 46 and **Keith Walklin** had HOA with 130. Nice shooting guys. You can see all the results and scores on the website.

MGC Hot Shots

Sean Cameron, Mark & Erin's son, continued his trap shooting in the Fast Lane this summer. Sean held a high enough average to be invited to the USA Clay Target Nationals in Michigan in July. Keep it up Sean, nice shooting.

Jeff Rempel. Jeff decided to go to the Grand American Trapshoot for the 1st time and shot "lights out" Handicap. Jeff shot a 98 in one of the preliminary handicaps and then blasted a 99 in the Grand American Handicap!!! Jeff was in a shoot-off and finished in 4th place. Now, there are many trapshooters that have gone to the Grand for 30-40

YEARS and have never shot off for the Grand Title and he did it on his first trip. Outstanding Jeff.

Scott Steffen. Scott, Jeff's father in-law, did OK too. Scott went home with a trophy in a Doubles event after shooting a 97. Great shooting Scott.

Ben Dietz. Ben and his shooting skills just don't quit. Ben, after taking the Singles Championship at the MN State Shoot, proceeded to go to the Grand American Trapshoot and ran ANOTHER 500+ Singles targets before one slipped away. And before the Grand was over with Ben went home with at least 4 trophies. Way to go Ben.....but just remember....one of these day's you're going to get old. Keep up the GREAT shooting.

New Members

A MGC welcome to **Peter Schmidt and Doug McLeod.** It's great to have you as members.
