MGC eSHOOTER

Welcome Spring!!!!!! **The Summer Leagues have begun.**

The Summer Leagues have started but it's not too late to get on a team and get your scores posted. As we have done the last couple years, you will have the first 3 weeks of the season to post your scores. The first 150 targets have to be posted by May 3rd.

Thank you to all the teams and members that have signed up this year, we are fortunate that we have as many shooters as we did last year.

Youth League

New this summer, we are going to offer a Youth League. The leagues won't start until school gets out and will run until Labor Day. This can be done with a group or done on an individual basis. It will consist of 25 targets a week for 10 weeks, or 250 targets. We will start the first week of June so there will be more than 10 weeks to get the targets in. There will be 2 divisions, up to 8th grade and 9th through 12th grade. The cost will be \$5.00 per round. Call the Club and talk to Wade or Mike for more information.

Skeet Hall of Fame Tournament

May 2nd & 3rd we will be holding the MN Skeet Hall of Fame Tournament at the Club and we are pleased to announce that our own **Charlie Phillips** is going to be inducted into the Minnesota Skeet Hall of Fame. Charlie is always ready to pitch in any way he can and help introduce people to the shooting sports. And, he can shoot real well too. If you see him out at the Club, give him a handshake, or a hug, he likes hugs, and congratulate him.

Congratulations Charlie, an honor well deserved.

We're going to need your help.....

To get the Skeet houses painted sometime in May. When the weather gets a little more stable and we see a window we're going to tackle the houses and get them finished off. Keep an eye on your email, Wade will send out a notice when its time. We're going to try and start them on a Friday and be finished for sure by Sunday. Any help will be appreciated.

We have a lawn mower!!

We recently purchased a commercial grade, 66", 27 hp Swisher Lawn Mower with a portion of the money collected for the gun club maintenance fund that we collect when you renew your membership. With this purchase we won't be paying almost \$900.00 a month to have a service do it for us. Just one of the ways we're trying to keep the costs down so we can keep our pricing down.

Phil Kiner Trapshooting Clinic

Phil Kiner, 22-time All American will be conducting a Trapshooting Clinic at the Club May 30th & 31. It is a 2 day clinic that will cover Singles, Handicap and Doubles. Phil uses extensive use of a video camera so that you will be able to see, frame by frame, how you move to the target and will offer correction to make you a better shot. The class will be limited to 10 students and will cost \$350.00. Students will be responsible for their shells, reloads are fine, and targets. You will shoot approximately 300 shells in the 2 days. Phil hasn't been to MN for a while and the class will fill fast. Give Wade a call if you're interested.
