MGC eSHOOTER

Christmas/Holiday Party

Yes, I know it's over, but, on behalf of the Club, we would like to say "thank you" to everyone who showed up and enjoyed the day. We had a great turnout and the food everyone brought was fantastic. It was a nice day and there were a lot of targets shot, and the scholarship presentation, as usual, was great. Alex Culp and his family were present and were very appreciative of the award.

The raffle for the Shamrock Shooting Bag to benefit the Scholarship Fund went very well, thanks to everyone who bought tickets, and the winner of the raffle, Mark Zauhar, donated the bag right back to be auctioned off, which brought in even more money. Thanks Mark and thanks to Steve Boerboon, the high bidder, for being so generous.

The Scholarship Fund is totally dependent on donations and this really helped.

Membership Renewal

Saturday, January 15th is the renewal deadline and after February 1st a \$25.00 late fee gets attached. We've had 200 members renew so far, thank you for that, and would like to see everybody renew to avoid the late charge. With the terrible weather we've had we could certainly use the funds to help get through the lean months. There is a renewal form included in this newsletter or just call the Club and we can get it done over the phone. Thanks for your help with this.

Calendar of Events

Included in this newsletter is the 2011 Calendar of Events. We've got a full schedule planned again for this year and hope you join us for the planned shoots. I'm sure the league shooting will be a good time to spend some great summer evenings at the Club with friends and the registered shooting events will be there for your pleasure too.

The Minnesota High School Trapshooting Championship will probably be 2 days long this year with all the new schools signing up. This has turned out to be a huge deal within the school system and we look forward to having the students and their families as guests at the Club.

Print it, paste it, keep it on your desktop or check the website, www.MplsGunClub.com to see what's happening at MGC. We'll do our very best to keep it interesting for you.

The Christine Lawson Pullers Scholarship Fund

Every year our trap employees are eligible for a \$1000.00 award to further their education. This fund is totally dependent on contributions from our membership. We have been very fortunate to have some outstanding young people work at our club over the years and any donations for this fund stays earmarked for the fund. With your help we can continue this for many years to come.

MGC STOCK FOR SALE

MGC STOCK is for sale for \$100.00 per share. When you buy stock in the club you are showing your support and helping the club make Capital Improvements. All the monies collected are earmarked to make the major improvements that the club needs over time. This support also helps us to keep the cost of running the club low so we can hold our prices down. Please consider purchasing stock in the Club.

Component Order

We're going to do the component order again this spring for our members. Just one of the perks of membership. It will be the same as past years; you will be able to order your components at pennies over what it costs the Club, whether it's shot, powder, primers, wads or flats of shells. Wade will have the lists and pricing available in the next few weeks. Get your list together and fill out one of the order forms, drop it off with your deposit and we'll notify you when it is here. This is a cash or check sale. Anything plastic we swipe through the machine is considered a credit card and we get charged for each transaction. At the pricing of this sale we would need to pass that charge onto you.

Just a head's up.....the lead market right now is at a most volatile time we've ever seen. Bags of shot will not be at what we've been used to in the past. Flats of shells might be the better deal this season. In addition to emailing the forms to you when they are ready, we'll post an order form on the website so you can print it off. www.MplsGunClub.com

Minnesota Shooting Hall's of Fame

We are proud to announce that 2 of our longtime members are going to be inducted into their respective Hall of Fame this year.

Virginia Hines (Schmidt) will be inducted into the MN Trapshooting Hall of Fame at the 2011 MN State Trapshoot in July in Alexandria MN.

Tom Hohag will be inducted into the MN Skeet Hall of Fame during the MN Skeet Hall of Fame tournament that is held at MGC April 30th.

Congratulations to both of these outstanding individuals for their shooting accomplishments and their well deserved places in the Hall of Fame.

Dear Member,

Here is your membership renewal form for the Club dues for 2011. As most of you know we are characteristically not as busy in the winter as we are during the summer/fall months and could use your help with payment of your dues by 1-15-11. **This year, 2011, if we have not received payment by February 1, 2011 the dues will increase by \$25.00. Please take note of this.**

We will be having a Club Holiday party on December 26th starting at 10:00 A.M. until ????. The Club will be providing the main dish, Grilled roast beef or bone in ham, depending on the weather. We welcome you to bring a dish to pass or a dessert and will have a sign up sheet at the club or you can call and let us know. We will offer a variety of shooting games for those wanting to bring the New Year in with a bang! Check the Website, www.mplsgunclub.com for more information.
