Thank you to everyone who participated in the Fall Leagues, and enjoyed some of the best weather we've had. And, as you can see, the competition between the High Gun Leaders was close! Nice shooting to the newly formed team Hot Mamas & Papas.....just some gal's & guy's that got together from a couple of the Summer League teams and decided to "give it a try". Check out all the teams and standings at **www.MplsGunClub.com**

Winter Hours

We are now on Winter hours. The Club will be open Saturday & Sunday's 10:00 AM until 4:00 PM and Wednesday's noon until 4:00 PM.

Now, the reduced hours doesn't mean we're slowing down the shooting. On the weekends we have Jackpot Trap on Saturday's and 5 Stand Challenge on Sunday's. Check the website www.MplsGunClub.com for some "special shoots" throughout the winter season. Also on the weekends we are serving breakfast from 9:00 AM until 11:00 AM. We have a new cook, Alecia, who is doing a great job making your selection from the outstanding menu to your liking and serving it piping hot.

Gun Club Improvements

Every year, as part of the membership fees, \$40.00 of that goes for Club improvements. The MGC Board of Directors is constantly looking at what needs to be done to maintain and enhance the Minneapolis Gun Club. Just recently here is what has been done and in progress;

- Purchase of Polaris Ranger and trailer.
We've had the use of Bill Jenison's Ranger and trailer for many years and when Bill decided to sell it he gave us a great price. The Ranger is used by select employees for jobs around the Club and delivering targets to the shooting fields.
- New furnace and AC unit for the managers house.
- New siding, a couple windows and doors for the manager's house.
- 2 Skeet machines rebuilt and replacement motors for 2 others.
- Filling/sealing cracks in the driveway and parking lot.
- Precast trap house on the east end.

These are just some of the repairs/improvements that have been made and as you can imagine the list is never ending. We appreciate the great member's we have and with your help will continue to make the Minneapolis Gun Club one of the premier shooting facilities in the upper Midwest.

Don't forget the Christmas Holiday Party December 26th.

Check out the New Buick Regal at Valley Buick GMC!!

This Sport-Injected World Class Sedan will out perform the competition with ease. With its modern aerodynamic lines, 18" alloy wheels, integral rear spoiler and 30 MPG highway rating you'll be cruising in STYLE.

Give Neal Hatting a call and stop in for a test drive.
