# MGC eShooter

## Captains Meeting

Hopefully this is a sign of Spring!!! The MGC Summer League Captains Meeting is this Wednesday, March 18th, at 7:00 PM at the Clubhouse. This meeting is for anyone who has an interest in participating in the summer leagues. If you aren't on a team or want to form a team you'll want to attend if you can. Mark will go over the rules and answer any questions you have. One change this year is that the Summer Leagues will run 24 weeks starting the 2<sup>nd</sup> week of April. Hope to see you there.

## Coronavirus

With this virus running rampant and the government stepping in and limiting the size of people congregating I felt something should be said about the position MGC is taking.

- First of all, if you're not feeling good, coughing, sneezing, have the sweats....please don't come to the Club.
- While this virus runs its course we do plan on staying open. We will be diligent in keeping the tables, chairs, kitchen, door handles and bathrooms as clean as we possibly can.
- If, for any reason we can't operate under our posted hours we will notify our members and guests on the website and by email.

## Component Order

The component order is coming along really good so far. We're getting feedback from our vendors that most of what we ordered is going to show up. As the orders are filled we will post it on the home page of our website [www.MplsGunClub.com](http://www.MplsGunClub.com). Check it often and we would appreciate that you pick up your order as soon as you can. And, thanks to everyone who ordered.

A reminder to our members and guests.

As we get going into our busiest time of year and with a lot of new people using our facility we ask everyone to adhere to the shot/shell size limits; target loads only, no shot larger than 7 ½. And please watch your speed on Judicial Road. We have had some concerns raised by the neighbors about shells sounding louder than normal and some fast cars going down the road. Please help us by letting

us know if you hear or see any behavior that would warrant a complaint. Thank you for your help on this.

## Summer Hours

Summer hours will begin Wednesday, April 1st. We will then be open 6 days a week. Check the website for operating times. [www.MplsGunClub.com](http://www.MplsGunClub.com)

## MGC Hot Shots

Many of you know/remember Nick Boerboon. Nick pretty much grew up at MGC and developed into a really good shot....at just about any target he shot at. Along the way he met a very nice young lady, Morgan, who worked at MGC for a while. Morgan also was a very good shot, good enough to be very completive in Olympic Skeet.

Well, they ended up getting married, Nick scored a job with Krieghoff International and Morgan finished her schooling.

Here is a picture of Nick and Morgan and the prize Red Stag they got in New Zealand on their Honeymoon!!! Great Stag!!!

And here is a picture of Morgan gracing the cover of Inside Pennsylvania in her Olympic attire. I'm being told that she's back to practicing shooting and hopefully going after Olympic Gold.

Reminder MGC will be CLOSED on Easter, April 12<sup>th</sup>.

Thanks to everyone for supporting MGC and we look forward to seeing you on the shooting fields.

Hopefully the virus will end soon and we'll get back to "normal".

Jim W
