MGC eShooter

MGC Members and Guests,

I hope everyone is coping with the COVID 19 virus and your loved ones, friends, and family are healthy.

The MGC Summer Shooting Season is going to get underway on June 2nd. It will be structured similar to the leagues we held in the past. Due to our current situation there will have to be a few changes....like we're not used to that by now. We will request that the social distancing guidelines are followed as well as you can. At MGC there is ample room to give yourself and others the recommended distance. Doing what we do, we can be within the guidelines and still shoot and have fun. After you're done shooting we ask that you distance yourself to

other areas of the Club. The back part of the parking lot, the grassy area behind field 3 or behind field 10. Bring lawn chairs with, a cooler and even a small grill if you're comfortable with that. The kitchen will not be open. We can make this work and still be considerate of others. Also, we are going to ask that you call the clubhouse, 952-469-4386, and let them know what day and what time you would like to shoot.

- Practice “weeks” will be now, and the “real” thing starts June 2nd. It will be a 18 week season, with playoffs at the end.
- We will have the traditional parties when we can. We'll post when on the website and will give you plenty of notice.
- As long as the Clubhouse is on lockdown, you will have to go to the North side and there is a window there where we will be able to get your

squad sheet, field assignment, rounds, and shells if needed.

We are now open 6 days a week....by appointment. We need to do it this way due to labor costs. We can't afford to have the scorers sit around for a couple hours in between shooters. It will have to be done this way until we see the hours of operation are being utilized.

Please check the website often www.mplsgunclub.com as we will be updating as needed due the ever changing directions by our government.

Thanks in advance for your understanding during these times. We look forward to seeing you and good shooting.
