

Minneapolis Gun Club

MGC eShooter December 2020

Notes from the President:

Jim W

Merry Christmas and Happy New Year

The Board of Directors, Mark, Erin and family would like to wish all of our members and guests the very best this Holiday Season. Also, we appreciate your understanding in these trying times and we would like to thank you for your support and patronage this past year. We had great league participation this summer in spite of the pandemic and at the registered shoots. Thank you to the High Schools that participated in the HS Fall Trap and Skeet leagues. We are very fortunate to have such a nice Club to be able to spend time at with our friends and family.

Component Sale

OK, I'll be honest. Right now our suppliers don't have much inventory to pick from and a lot of you know how hard it is to get components. We will do everything we can to give you a good selection of components and shells. We will keep you posted through the home page on the website and an email if necessary. Believe me, we want you to have what you need to come out MGC and bust clays. We'll do our best to be able to offer flats of shells and components at the best price we can.

Winter Shooting

Yes, we will be open for winter shooting. Every Saturday there is Jackpot Trap and on Sunday's there is Jackpot Sporties. We are open on Wednesday's for now. If and when the weather turns nasty we may not open for the 4 hours that we have on the winter hours. Please check the website before coming out. We'll keep it up to date IF we are not going to open.

A HUGE THANK YOU TO;

Dan Nicoli and the Farmington High School Trap Team.

They funded and organized the new shelter that is behind fields 9 & 10. They also ran wiring for both shelters on the east shooting fields.

Scott Steffen and Craig Raines of the Raines Trap Team installed electrical boxes and hooked up the wiring for both shelters.

Jerry Ryan for trouble shooting a wiring issue that was affecting multiple shooting fields on the west end shooting fields.

Because of great members like these people, WE have a great shooting facility. Thanks guys.

It saddens me to tell you that we will **not** be having our annual Christmas/Holiday party this year, or the MGC Club All-around Championship. I am truly going to miss all the great food and seeing so many familiar faces. Hopefully next year will be better.....for all of us.

Membership Renewal

To hopefully make it easy for you we have included a membership renewal form in this newsletter. You can stop out, mail a check or call the Club and we can process the renewal over the phone. Thanks to those that have already renewed. This year, more so than usual, we could use your help and ask that you renew as soon as possible. As with so many businesses, MGC is way behind in revenue due to the restrictions and shut down we have endured.

Christmas Shopping at MGC

The MGC Pro Shop has some very nice clothing items that make nice gifts....How about something that can be enjoyed all year. A MGC Membership...A round card....A MGC Gift card for those that like to pick their own gift....Shares of MGC Stock...Don't like crowded shopping?? Just give us a call and we can help you shop safely. And, don't forget our friends at Valley Buick/GMC. They too, are geared up to make your shopping easy. Valley Buick/GMC always has a select inventory of both new and used vehicles and are always helpful finding a car/truck to fit your needs.

Dear Member,

November 14, 2020

Your 2021 membership dues renewal form is below. As most of you know we are characteristically not as busy in the winter as we are during the summer/fall months and could use your help with payment of your dues by January 15, 2021. **Please note that if we have not received payment by February 1, 2021 the dues will increase by \$25.00.**

Due to the COVID virus we WILL NOT be hosting the annual MGC Christmas party this year. At least at this time we're not but IF things loosen up and people can safely gather in a confined area, we will let you know. It saddens me to have to cancel it because I and a lot of other members/guests really looked forward to it every year.

Also, there would be a Club calendar included with the renewal but again, due to the ever changing restrictions we have to abide by, we'll include it in a future newsletter. Check the Website, www.mplsgunclub.com for more information.

Merry Christmas and Happy Holidays to you and your families.

Jim Walkowiak, President
