# MGC eShooter

Members and Guests,

First of all, I hope that everyone and their families are doing well with the COVID issue. We've been

fortunate at MGC and have had only a few members that have gone through it....and they didn't get it at MGC.

Thank you to everybody that has visited the Club and has followed the mandatory mask wearing and the social distancing.

## **Component Update**

Usually this time of year we are getting orders from our members for shells and reloading components. This year, as most have found out, there isn't any shells or components to buy. We are in constant contact with our suppliers and we have turned in orders to them. The suppliers can't tell us when/if we will get what we ordered because they aren't being told anything from the manufacturing companies. Due to the government shutting everything down and ceasing production the manufacturers are filling backorders, re-hiring, and training new employees. We all knew that the

repercussions of a shutdown would affect all of us in one way or another and this is one of them.

As soon as we get product in, we will let the membership know. We will post any information on the MGC webpage too. Right now we are limiting product sales to what you are going to use at MGC and in small quantities. Thank you for your understanding.

## 2020 Scholarship Award

We usually do the Award presentation at the Christmas party but the party didn't happen in 2020. We did award the Scholarship though and as noted in a previous eShooter it went to a well deserving **Eric Gunderson**. Most of you know Eric and what a big help he is at MGC. Congratulations Eric.

## **2021 Summer League Captains Meeting**

Yes, we are planning on having a regular summer league this year. The meeting will be held Wednesday, March 24<sup>th</sup> at 6 PM. Anyone interested in shooting the summer leagues is invited. Don't have a team??? We'll find you one. Mark will go over the rules and procedures and answer any questions that you have. Trophies from last summer will be handed out too.

## Winter Shooting

We are holding Jackpot Trap and Jackpot 5 Stand every Saturday and Sunday. We are open for practice/fun shooting also, including Wednesdays.

Stay safe, we hope to see you at MGC soon.
