MGC eShooter

The Summer Leagues.... Are off and running!!! We are in our 7th week already and even with the

stinking weather we're having there are some really good scores being turned in. Thank you to all that are participating this year and congratulations to those shooting the good scores. Now, there are some that haven't been able to post a score for the leagues yet but no worry. Due to the Club being very busy with everything going on you have until July 1st to get caught up. Activity will settle down early June so there will be plenty of time to get them in. Have fun. The league placing is current on the website and the bulletin board in the kitchen area. www.MplsGunClub.com

Volunteers needed..... MGC is again proud to host the season ending High School Trap and Skeet Championships. They will be held June 23, 24, 25. Skeet will be Wednesday and Thursday and Trap Friday. We need volunteers mainly on Friday to help with "easy" tasks such as parking attendants, scorers, and range safety officers. You won't be stuck in one spot all day and if you can spare a couple hours we would appreciate it. Let Mark

know and we'll get you on the list. Last year for the volunteers we hosted a very nice cookout...which we will do again. If you can spare the time you will be able to see some of the very best in the State compete in these venues. It is really fun to watch the young boys and girls shoot. Thanks in advance.

Upcoming Events....

June 1 & 2 High School Pre-State Trap Shoot

June 5, 6 High School Trap & Skeet Pre State Warm up.

June 11, 12, 13 MN Masters Skeet Shoot

June 21-25 League off week

June 23, 24, 25 High School Skeet/Trap Tournament

June 29, 30, July 1, Half way League Party

July 2, 3, 4 MGC Handicap Trap Championship

Have a great Summer !!!!
