## **Members and Guests,**

I hope that everyone is surviving this “real” winter that we’re having. Certainly a lot worse than last year. Everybody I talk to is hoping for some warmer

weather and get out shooting. We're gearing up for the Leagues to get going and do some shooting.

## **Summer League Captains Meeting**

The 2022 Captains meeting is going to be held on Wednesday March 23<sup>rd</sup>, 6 o'clock at the Clubhouse. Mark will go over the rules and answer any questions that you have and hand out the trophies for last year's winning teams. I will add that the Summer League IS NOT going to be as long as last year. We are going back to a 21 week season which will start April 5<sup>th</sup> and will finish up at the end of August. We'll be doing the mid and end of season cook outs as usual. If you aren't on a team and would like to participate we can find a team that you can shoot with. There will be sign-up sheets at the clubhouse for each venue.

## **Shells and Components**

As many of you know, supplies are STILL hard to get a hold of. We've been taking everything that is offered to us by our suppliers. We WILL have shells available, a couple flats if you need them, by the time the Leagues start. I'll warn you, they might not be what you would usually shoot and they will probably cost more than you used to pay. The days of \$5.00 boxes of shells are long gone. The manufacturers are being stingy where they are shipping product to and have raised prices considerably. We have been getting some powder in and only a few primers for those that reload. Again, we are in constant contact with our distributors and getting what we can.

## **Want a free MGC burger???**

On Saturday, March 12<sup>th</sup>, MGC will be holding their annual St. Patrick's Jackpot Trap Shoot. IF you hit a GREEN target you will win a delicious MGC burger. One to a person. Besides the burger you could go

home with some cash. With Lewis Class payouts, everybody can be a winner. See the website for details. [www.mplsgunclub.com](http://www.mplsgunclub.com)

## MGC High Over All Champion

Back in January, after a couple reschedules due to COLD weather, we held the MGC Club Champion. It

consisted of 25 Trap, 25 Skeet and 25 5 Stand and for the NINTH year in a row, **Doug Dingman** cleaned house again. Doug hit 66 of the 75 targets in frigid weather!!!!

Congratulations Doug, NICE SHOOTING.

## **Membership Renewals**

We are a little behind on the membership renewals and we would appreciate it if you could help us out and renew as soon as you can. Thank you.
