Club Update

We are currently experiencing technical difficulties with the Minneapolis Gun Club website and some of the links in this newsletter may not work for you. We are working to resolve these issues as quickly as possible. If you experience any difficulties, using a mobile device with cellular data is currently working.

The programs linked below are contained within this newsletter and do not require any work arounds.

President's Message

Jim Walkowiak announced at the June Board Meeting that he was stepping down as President of the Minneapolis Gun Club. Jim has served as President for the last 18 years and because of him and all his hard work and dedication, the club continues to be a premier shooting facility. We are very pleased that Jim will continue on as a board member.

For those of you that do not know me, I am Virginia Hines and I have been the Treasurer of the club for the last 14 years and was recently elected by the board to serve as President after Jim's resignation. I also grew up at the Minneapolis Gun Club. My father, Mike Schmidt, Sr. managed the club from 1970 to 1988. I look forward to serving as President and continuing to make the gun club a great place to shoot.

The summer has been busy at the club with the Minnesota State High School Clay Target League events, various trap and skeet shoots and summer leagues. Thank you to the many volunteers who helped out especially for the high school events. It takes a village and we couldn't do it without all the wonderful volunteers.

Virginia Hines

The Print Shop

Welcome to The Print Shop!

The Print Shop has been Minnesota's business printer since 1972. We are a family owned and operated company, not a franchise or a chain. The Print Shop's mission is to provide the friendliest service and the lowest prices each and every day for all of your printed materials.

Our services include graphic design, one and two color printing, four color process printing, digital printing, promotional items, blueprint copying/printing, vinyl signage, high speed copies and complete post-press finishing. We utilize the latest technologies and materials to make sure your job is produced efficiently without sacrificing quality. We strive to maintain long term relationships with all of our customers.

Contact one of our friendly associates today for a price quote on your next project.
