## *Message from the President*

### Greetings to all Members and Guests of the Gun Club

It's that time of the year again where we may not have to have a sweater and jacket on to shoot a round. It might be in the high 70s next week, so I decided to come back to Minnesota from my Florida home.

---

### Club Activities

MGC trap, skeet, and sporties leagues are in full swing. Week 4 is just wrapping up. The high school clay target league is also in full swing and runs through the end of May. We host several schools for trap and skeet to shoot their weekly 50 target league event, and this year Lakeville South is shooting sporties with us too.

---

### Vern Aanenson Memorial

This weekend, the club is hosting the Vern Aanenson Memorial. The late Vern Aanenson owned Old Dutch Foods. He was also the Minneapolis Gun Club President while my dad, Michael Schmidt, Sr., was the Club Manager back in the 70s and 80s. Old Dutch was synonymous with the club back in those days, and you could find Vern, Jimmy Robinson, and Les Kouba all at the club during the Captain Billy Fawcett Trap Shoot or the Old Dutch Skeet Shoot. Talk about three legends!

### Club Improvements

The club has made some improvements with new referee chairs and new gun racks. Check them out the next time you are at the club. If you are interested in sponsorships for yourself or your company, we will have information forthcoming, and you can put your name or logo on a referee chair or gun rack.

## Upcoming Events – Volunteers Needed

We have several events over the next couple of months including a handful of high school events. We are looking for volunteers for those events and if you are interested, please let myself or Mark know. The next event where we could use some volunteer help is Saturday, May 17 for the High School Invitational Trap Shoot.
